## WISE PLIERS

With Finger Tip Trigger Release

### Hand-vise, pliers, clamp and wrench in one tool

Designed to do more work faster and easier for auto-mechanics, welders, electricians, plumbers, machinists, and an all-round shop or household use.

Just the right size for pocket or tool-belt—Length 8 inches; Weight 13 ounces—Satin black finish.

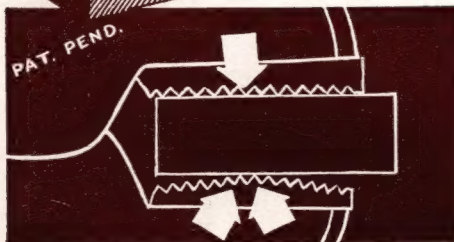

**PACKAGED TO SELL...** Pliers packed in two-piece box with instruction sheet.

6 pair Pliers packed in attractive Display Box, enclosed in shipping container. Weight 6 pounds.

6 Display Boxes (36 pair Pliers) packed in corrugated shipping container. Weight 36 pounds.

- 1 One Hand Operation...** Both Adjusting Screw and Trigger Release operated with thumb and fingers of *one* hand.
- 2 Finger Tip Trigger Release...** Release Lever smoothly loosens vise grip.
- 3 Three Point Grip...** A curved jaw against a straight jaw assures positive grip in all positions—*no slipping*.
- 4 Multiplied Power...** Gripping range from light pressure to over a ton.
- 5 Sturdy Construction...** Alloy and high carbon, heat-treated steels used throughout.

3-Point Contact—Flat jaw and curved jaw hold work firmly, without slipping.

Adjusting Screw—Thumb and finger set jaw quickly to any desired opening.

Finger Tip Trigger Release—Releases powerful grip smoothly by finger action.

## WISE PLIERS

With Finger Tip Trigger Release

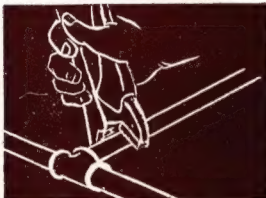

### Portable Hand Vise

*Gripso* locks on any shape and never slips in grinding, sawing or drilling

### Cotter Pins and Keys

*Gripso* removes them easily without first straightening the prongs

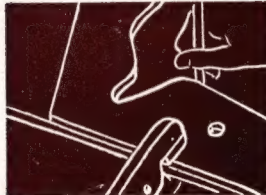

### Utility Pipe Wrench

*Gripso* locks on, so pipe can be turned in either direction without removing Pliers

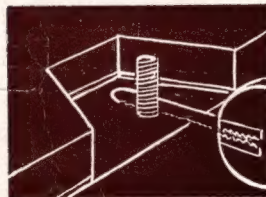

### Welding Clamp

*Gripso* positive adjustment holds parts for welding, soldering, riveting

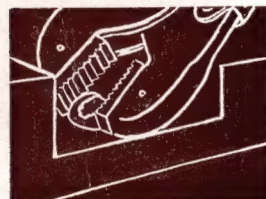

### Tool and Die Work

*Gripso* holds templates and blanks firmly, is quicker to adjust than clamps

### "Clamp-On" Handle

*Gripso* is quickly attached to hold short hacksaw blades or to handle metal sheets

### "Hard-To-Get-At" Places

*Gripso* works easily in cramped positions and inaccessible places—no lost motion.

### AUTO MECHANICS

Removes broken stud bolts  
Holds parts for welding or assembly  
Turns rounded or marred nuts, plugs, or screws  
Holds work while grinding, drilling, or filing  
Saves time and labor in hard-to-get-at places

### ELECTRICIANS

Bends, twists, or stretches heavy wire or cable  
Removes rusted or corroded bolts and nuts  
Clamps cables or guy wires during installation  
Holds bolt or nut for two-hand tightening

### PLUMBERS, MACHINISTS AND GENERAL USE

General utility Pliers, Nut Wrench and Pipe Wrench  
Holds small and irregular material for grinding, sawing, or welding  
Makes "clamp-on" handle for carrying or holding heavy or awkward parts  
Helps to do more work easier and faster

### GUARANTEE

The Gripso Vise Pliers are guaranteed against defective materials or workmanship for a period of 90 days from date of purchase, provided the tool has not been abused or misused. Defective parts will be replaced at our factory, provided transportation charges are paid by the purchaser.—H. R. BASFORD COMPANY
